

Official End-of-Life (EOL) Notice

Dear Valued Customer,

Thank you for your continued support and trust in UGUARD NETWORKS products.

In response to Intel's product strategy adjustments and ongoing technology evolution, and as part of our commitment to optimizing our product portfolio and support framework, UGUARD NETWORKS hereby announces the discontinuation of sales for the **UAC-E Series : Traffic Management Appliances**, effective as of the date of this notice. The product line will formally enter the End-of-Life (EOL) phase.

This announcement does not affect the support rights or maintenance services of existing customers under valid contracts or within the applicable warranty terms. We recommend that customers proactively evaluate replacement options or upgrade plans to ensure continued system reliability and operational continuity.
